

Peer Interview Check-In One

Take five minutes to record your answers to the questions below. The video that is uploaded should be the first take. No "mess ups" should be edited out. We want to see your authentic answers to the questions.

1. Hi. Would you mind introducing yourself?
2. What topic have you selected?
3. What event or issue is your topic about?
4. What did you find most interesting when you read about this topic? Any fun facts?
5. Do you think you will continue to enjoy learning about this topic for the rest of the year? If not, what do you think you should do at this point?
